

**CANDIDATE FOR GOVERNING BOARD MEMBER  
APPLE VALLEY UNIFIED SCHOOL DISTRICT**

**NAME: WILSON F. SO**

**OCCUPATION: Civil Engineer**

This 2006 election for a seat on the Apple Valley Unified School District Board of Trustees is about the children of Apple Valley and how we set sound education policies and how we manage the funding provided by the State of California. Being on the Board for over 12 years, I have observed the progress of our school district to being one of the best in San Bernardino County. To set an example of financial prudence, the health insurance premium for a board member are being put back for education and I am happy to be able to contribute towards scholarships for high school and college students.

The school board seat has no place for personal agenda. I am proud that my four children are graduates of AVUSD. From the experience of seeing them finishing high school, college undergraduate education, and now completing graduate degrees, I have the passion to stay on because I still believe that we can make further improvements at AVUSD. If elected, I am committed to maintain the trust and support with our administrators, teachers, and our classified employees; and working with fellow county statewide school board members to maintain adequate funding for education.
